

MIDDLETON

Apprenticeships Fair

Lighthouse Project, Middleton Shopping centre

Fri 27th Oct 2023 - 10am - 1pm

Looking for work and training?

Why not try an apprenticeship?

Come along to this free event, supported by local training organisations such as Rochdale Training and Hopwood Hall College, local employers, Rochdale DWP Jobcentre, and Chris Clarkson MP.

The event is suitable for all age ranges.

Apprenticeships are not just for young people. There are many opportunities in a whole range of occupations, and skill levels.

Apprenticeships offer a fantastic route to getting back into work and for improving your skills and qualifications. They are suitable for those looking to re-enter the workplace, or for re-training. Come and find out more.

HOW DO THEY WORK

What is an apprenticeship?
